# THE SHOW

- With rapid pace of urbanisation, Indian cities and urban areas are experiencing massive expansion and growth, throwing up huge challenges, and business opportunities. The Government of India programmes like Swachh Bharat Mission - Sanitation for All by 2019, Housing for All by 2022 under PMAY (Pradhan Mantri Awas Yojana), 100 new Smart Cities Mission, 500 cities under AMRUT (Atal Mission For Rejuvenation and Urban Transformation) for 1 lakh population plus cities, and HRIDAY (Heritage City Development and Augmentation Yojana) for Heritage Cities, are driving central and state governments, urban local bodies and private industry by creating the right enabling environment for building better cities.
- For the last 14 years Municipalika, International Conference and Exhibition on Making Cities Work, has been instrumental in highlighting pertinent issues revolving around these challenges and opportunities, sharing best and leading practices, showcasing technological and managerial solutions, and providing inputs for policy interventions.
- Municipalika 2018 is the 15th International Exhibition and Conference on Smart and Sustainable City Solutions.
- Will have participation of International Country Pavilions, State Pavilions and Municipal Corporations displaying their initiatives undertaken for their Cities along with 300+ technology solution providers for city development needs, exhibiting their technologies and displays.
- More than 10,000 delegates and visitors are expected to participate in the unique mega show for building better cities.

# Glimpses of Municipalika 2017

[www.municipalika.com](http://www.municipalika.com)

I am happy to know that the 14th edition of Municipalika -India's recognised tradeshow and conference focused on Smart, Clean and Sustainable Cities is being organised in Navi Mumbai. Maharashtra is the most urbanised state of the country. I hope that Municipalika will offer a unique opportunity to its participants to showcase and source technologies, innovations, products and services, further to State Government's mission of affordable housing and smart sustainable, cleaner and greener cities. I extend my warm wishes to the organisers and all participants and wish the conference a grand success.
