WEBINARS / DIGITAL SESSIONS ON EACH FOCUS SECTOR

GO GLOBAL

Major advantages of Virtual expo

The Digital Platform is Highly Extensible meaning that there is no limit to the number of sessions, product launches, display booths or attendees that can be part of it.

There is no time constraint like a real event; the event will be available 24/7 for anyone to view according to their respective time zones.

you can select or design trade show booths according to the Ethos of your organization which can host all their information such as Brochures, Videos, Business Cards and more.

Have a hassle free B2B experience with our 1:1 video meeting / live text chat feature with visitors

Get instant leads through our real time traffic monitoring feature.

Get post show Data Analytics and Statistics.

Target multiple geographies at the same time.

No issue of overcrowding, invite unlimited visitors to your stall.
