## Prime Minister Narendra Modi's short and productive visit through Germany, Denmark and France from 2-4 May

Prime Minister Narendra Modi's short and productive swing through Germany, Denmark, and France from 2-4 May underline the belated realization of the immense possibilities for an enduring strategic partnership between India and Europe. It is entirely unsurprising that the rewards have begun to come through — whether it is in enhancing economic partnerships or deepening security cooperation with key European nations. Even more impressive is the successful alignment of European strengths in technological innovation, clean energy, and green growth with the significant Indian needs in these vital sectors.

PM Narendra Modi's 3-day, 3-nation tour was immensely productive.

- Advanced trade & investment ties
- Forged new green partnerships
- Promoted collaborations for innovation and skill development
- Strengthened the spirit of cooperation with our European partners

Narendra Modi ✓  
@narendramodi

I would like to thank Chancellor Scholz for the ceremonial welcome in Berlin. [@Bundestkanzler](#)

## PM Modi '3-day, 3-nation' Europe tour from May 2nd to May 5th

The first foreign tour of India in 2022 was unusual in its way, yet, as they say, a strong leader's vision connects like-minded individuals in an instant. Three days, eight world leaders, twenty-five engagements, several agreements, fifty global business executives, with one Prime Minister of India. Our Honourable Prime Minister Narendra Modi embarked on a three-day tour to Germany, Denmark, and France to advance India's engagement with Europe through trade, renewable energy, high-tech mobility, and the Indo-Pacific agenda. Several bilateral discussions were organized to strengthen ties in a variety of fields, including trade, energy, and green technology. Everything in international relations has to be seen in context, and the backdrop of the visit is the biggest crisis of this decade, the Ukraine Crisis, in which Europe has adopted a vehemently negative posture while India has consistently kept its neutral stance at every chance. **The European tour began in Germany**, where the German Chancellor and two other leaders met for bilateral talks at the sixth India-Germany Intergovernmental Consultations (IGC). It was the inaugural IGC and the first governmental meetings with Germany's newly formed government, followed by a Scholz business event. India and Germany signed a total of nine agreements, including a Joint Declaration of Intent (JDI) on Green and Sustainable Development Partnership, in which Germany promised to provide India with an advance commitment of 10 billion euros in new and additional developmental assistance until 2030. It is vital to note that our Prime Minister has always taken the chance to contact the Indian diaspora, and the highlight of the encounter this time was when a young Indian lad sang a patriotic song for Mother India in front of the Prime Minister. **The event's second day began in Copenhagen, Denmark**, and the visit will be remembered for the fact that Denmark's Prime Minister Mette Frederiksen came to the airport to greet the Indian Prime Minister. The second India-Nordic Summit was held as a follow-up event, and it was significant in and of itself since Katrin Jakobsdóttir of Iceland, Jonas Gahr Store of Norway, Magdalena Andersson of Sweden, and Sanna Marin of Finland were present to meet Indian Prime Minister Narendra Modi. The second India-Nordic summit focused mostly on post-pandemic economic recovery, climate change, renewable energy, and the changing global security landscape. Agreements like the Declaration of Intent (DoI) on Migration and Mobility, a Memorandum of Understanding (MoU) on cooperation in the fields of skill development, vocational education, and entrepreneurship, and the start of a ministerial-level energy policy conversation between the two countries.

**The final meeting took place at the Elysee Palace, the French President's official residence, with President Emmanuel Macron and the French government.** The camaraderie and links between India and France are exceedingly strong, as evidenced by Macron's hugging the Indian Minister soon after their meeting. Everything from global challenges to bilateral relations was covered. From an Indian standpoint, the three-day tour to Europe was a huge success, as evidenced by the fact that eight heads of state from different countries came to meet the Indian Prime Minister. It is consistent with our firm foreign policy, which our prime minister has promoted since his appointment.

Prime Minister Shri Narendra Modi had a warm and productive meeting with H.E. Mr. Joseph R. Biden, President of the United States of America

Photo: @narendramodi Twitter

Prime Minister Shri Narendra Modi had a warm and productive meeting with H.E. Mr Joseph R. Biden, President of the United States of America, on 24 May 2022, in Tokyo. The meeting resulted in substantive outcomes which will add depth and momentum to the bilateral partnership. The meeting marks a continuation of the regular high-level dialogue between the two leaders who met in person in September 2021 in Washington D.C and interacted at the G20 and COP26 Summits thereafter. Most recently they had a virtual interaction on 11 April 2022. The India-US Comprehensive Strategic Global Partnership is underpinned by a shared commitment to democratic values, rule of law, and a commitment to uphold rules-based international order. The Leaders expressed happiness with the progress made across sectors in the bilateral agenda.

The two leaders welcomed the signing of the Investment Incentive Agreement which enables the US Development Finance Corporation to continue providing investment support in India in sectors of shared priority such as healthcare, renewable energy, SMEs, infrastructure etc. Both sides launched an India-U.S. Initiative on Critical and Emerging Technologies (iCET) to facilitate outcome-oriented cooperation. Co-led by the National Security Council Secretariat in India and the U.S. National Security Council, iCET would forge closer linkages between government, academia and industry of the two countries in areas such as AI, quantum computing, 5G/6G, biotech, space and semiconductors.

Noting that defence and security cooperation is a crucial pillar of the India-US bilateral agenda, both sides discussed how they can further strengthen collaboration. In this context, Prime Minister invited the US industry to partner with India to manufacture in India under the Make in India and Aatma Nirbhar Bharat or self-reliant India programmes which can be of mutual benefit to both countries. Taking forward their growing collaboration in the health sector, India and USA extended the longstanding Vaccine Action Programme (VAP) until 2027 to continue joint biomedical research which had resulted in the development of vaccines and related technologies.

To bolster the strong people to people linkages between the two countries, Prime Minister called for strengthening higher education collaborations which can be of mutual benefit. The Leaders exchanged views on regional issues of mutual interest including South Asia and the Indo-Pacific region, reaffirming their shared vision for a free, open and inclusive Indo-Pacific region. Prime Minister welcomed the launch of the Indo-Pacific Economic Framework for Prosperity (IPEF) and stated that India is ready to work closely with all partner countries to shape a flexible, and inclusive IPEF taking into consideration the respective national circumstances. The Leaders agreed to continue their useful dialogue and pursue their shared vision of taking the India-US partnership to a higher level.

## Meeting of Ms. Meenakshi Lekhi, Minister of State for External Affairs and Culture of India with Mr. Goran Gliš Radman, Minister of Foreign Affairs of the Republic of Croatia

**Gordan Gliš Radman** @glicradman · May 10

On the sidelines of #UNMalaga2022 great exchange with Minister of State for External Affairs and Culture of @M\_Lekhi on 🇮🇳 and EU-India relations, as well as on the humanitarian situation and aggression on #Ukraine.

**Meenakshi Lekhi** @M\_Lekhi · May 10

Happy to meet the Foreign Minister of Croatia H.E. Mr Gordan Gliš-Radman @glicradman on the sidelines of UN Counter-terrorism Conference in Malaga, Spain today. We exchanged views on several areas including our bilateral relations and current global issues.

## Congratulations from the Government of India to the Government and people of Croatia on their National Day!

**Dr. S. Jaishankar** @DrSJaishankar · May 30

National Day greetings to FM @glicradman and the Government and people of Croatia.

Will take our cooperation agenda forward.

## NEWS ON INDIA

**Inaugurating several completed projects and laying the foundation stone for fresh infrastructure projects worth Rs 31,500 crore**, Prime Minister Narendra Modi listed his government's priorities and initiatives, including those to promote Tamil language and culture. Tamil Nadu Chief Minister M K Stalin, in his address at the same event, highlighted the state's contribution to national economy to raise a number of long-pending demands such as payment of GST dues from the Centre.

**Foreign direct investment (FDI) has been rising annually in contrast with the heavy selling by foreign portfolio investors (FPIs) in recent times.** Gross FDI inflows were at \$83.6 billion in FY22, surpassing \$82 billion a year earlier. It stood at \$74.4 billion in FY20. Services and manufacturing sectors accounted for a major share of FDI in FY22, RBI said in its monthly bulletin. However, net FDI moderated to \$39.3 billion in FY22 from \$44 billion a year ago, due to higher outward investment by Indian entrepreneurs and repatriation by foreign investors, RBI said.

**India, the world's second-largest sugar producer after Brazil, has exported 7 million tonnes of the sweetener so far in the ongoing 2021-22 marketing year, and exports from the country may touch a new record of 9 million tonnes, industry body ISMA.** Indian Sugar Mills Association (ISMA), in a statement, said the country's sugar output has risen to 34.23 million tonnes till April of the current marketing year, from 30 million tonnes in the year-ago period.

**Narendra Modi, Prime Minister of India, visited Tokyo, Japan, for the Quad summit, a strategic dialogue between Australia, India, Japan and the United States of America (USA) on the 23<sup>rd</sup> May.** Deepak Bagla, Managing Director (MD) and Chief Executive Officer (CEO), Invest India, part of the official delegation, accompanied the Prime Minister (PM). The PM met with key Japanese companies, including Fast Retailing, NEC (Nippon Electric Company) Corporation, Softbank Corporation and Suzuki Motor Corporation. The PM also chaired a business roundtable with 34 Japanese companies and key industry and economic bodies. The companies represented various sectors, including automobiles and auto components, electronics, steel, banking and financial services, and chemicals. Key business and industry bodies such as Keidanren, Japan External Trade Organization (JETRO), Japan International Cooperation Agency (JICA), Japan Bank for International Cooperation (JBIC), Japan-India Business Consultative Committee (JIBCC), and Invest India also participated in the roundtable.

**World Economic Forum (WEF) Annual Meeting 2022 showcased India in great strength – with the largest presence on the promenade.** There was a Department for Promotion of Industry and Internal Trade (DPIIT) lounge on one side and the six-state lounges of Madhya Pradesh, Tamil Nadu, Andhra Pradesh, Maharashtra, Karnataka and Telangana on the other. The Indian Ministerial delegation comprised Piyush Goyal, Minister of Commerce and Industry, Consumer Affairs and Food and Public Distribution and Textiles, Government of India, Mansukhlal Mandaviya, Minister of Health and Family Welfare, Chemicals and Fertilisers, and Hardeep Singh Puri, Minister for Petroleum and Natural Gas, Housing and Urban Affairs. The Government delegation also included Anurag Jain, Secretary, DPIIT, Amitabh Kant, Chief Executive Officer (CEO), Niti Aayog, Rajendra Ratnoo, Joint Secretary (JS), DPIIT and Deepak

## The India-Croatia Bilateral Startup Bridge established on 20/12/21 was presented at LEAP Croatia summit together with HAMAG-BICRO

The India-Croatia Bilateral Startup Bridge established on 20 December 2021 was also presented at the LEAP Croatia Summit together with HAMAG-BICRO. In his address, Ambassador Srivastava spoke about the potential of creating stronger connections between the two innovative ecosystems that played a crucial role in the past 30 years of our diplomatic relations, and are bound to play an even important role in the next 30 years by connecting our future innovative generations by working together in global projects.

Find out more about how to participate in the India-Croatian startup challenge and win the grand prize fund estimated at \$43,000:

<https://hamagbicro.hr/hamag-bicro-i-eeen-na-leap-summitu-2022/>

- Winners will be announced on the 14th of June 2022. event organized by HAMAG-BICRO and supported by Startup India and the Embassy of India, Zagreb.

## FOCUS: India GDP Growth

# STATE OF THE ECONOMY

### Quarterly GDP growth (% YoY)

### Annual GDP growth (% YoY)

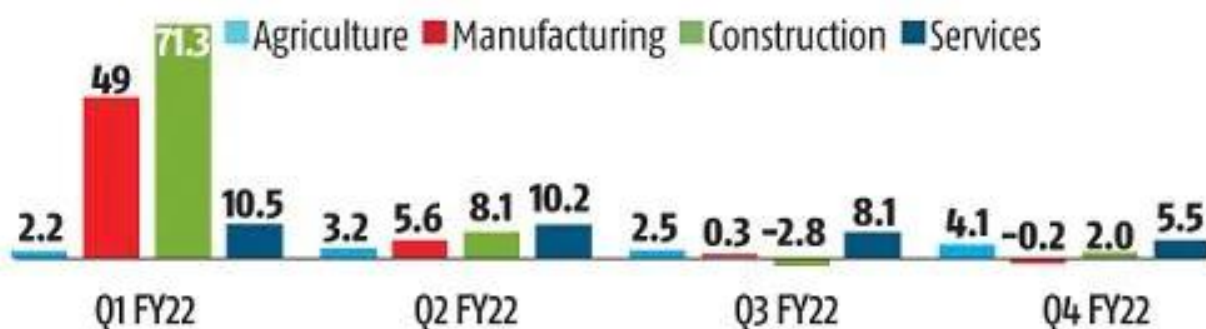

FY19	6.5
FY20	3.7
FY21	-6.6
FY22	8.7

### Investments dip

	Q1 FY22	Q2 FY22	Q3 FY22	Q4 FY22
Private spending (PFCE)	14.4	10.5	7.4	1.8
Govt spending (GFCE)	-4.8	8.9	3	4.8
Investment (GFCF)	62.5	14.6	6.1	5.1

Note: PFCE: Private final consumption expenditure; GFCE: Government final consumption expenditure GFCF: Gross fixed capital formation

### Sectoral performance (YoY growth in %)

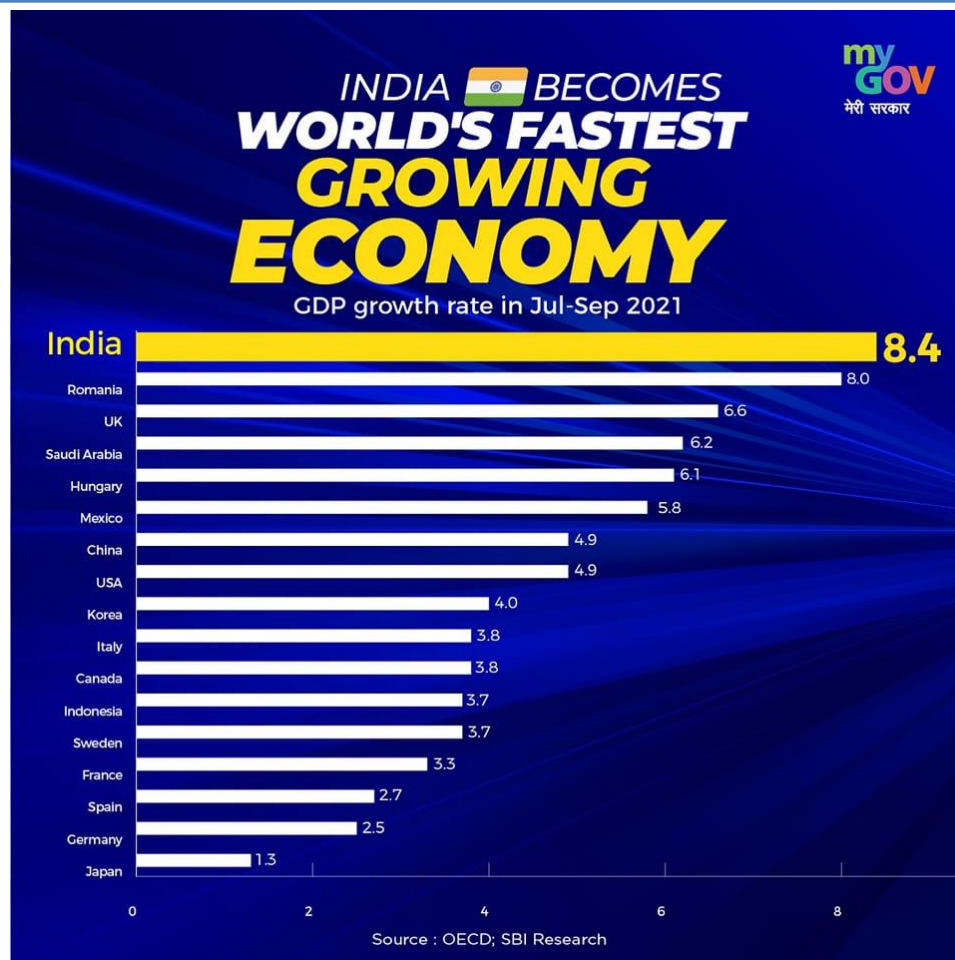

Source: MoSPI

India's economy grew 4.1 percent year-on-year in the January-March period of 2021-22 (Q4 FY22), even as the rate of growth slowed sequentially for a third straight quarter with the Omicron wave-induced restrictions and high commodity prices weighing on economic activities. The National Statistics Office pared down the overall growth estimate for FY22 to 8.7 percent from the 8.8 percent projected in February. In FY22, all sectors except trade, hotels, and communication services were above the pre-pandemic levels of FY20.

Growth in private final consumption expenditure, or private spending, decelerated sequentially in Q4 to 1.8 percent, proving to be the weakest link. Government spending, however, picked up to grow at 4.8 percent, supporting overall growth. Gross fixed capital formation, which represents investment demand in the economy, slowed to 5.1 percent. Source: [LINK](#)

## India is fastest-growing major economy shows UN report

India is still the fastest-growing major economy even as the Ukraine conflict impacts the global gross domestic product (GDP), according to a UN report. India is projected to grow by 6.4 percent in 2022, slower than last year's 8.8 percent, due to higher inflationary pressures and uneven recovery of the labor market curbing private consumption and investment, the UN report shows. The UN Department of Economic and Social Affairs said in its World Economic Situation and Prospects (WESP) report released that the war in Ukraine has upended the fragile economic recovery from the pandemic, triggering a devastating humanitarian crisis in Europe, increasing food and commodity prices, and globally exacerbating inflationary pressures, PTI reported.

India is the fastest-growing economy among the G-20 nations, besides boasting of several other achievements included in the start-up environment, said Prime Minister Narendra Modi. Addressing graduating students of the Indian School of Business (ISB) here, Modi said last year the country attracted a record amount of Foreign Direct Investments. "Today, India is the fastest developing economy in G-20. India is in the second position when it comes to internet users. India is in the second position in the global retail index. India has the third-largest start-up ecosystem in the world. There are several such achievements," Modi said.

## US surpasses China as India's biggest trading partner in FY22 at \$119.42 bn

The US surpassed China to become India's top trading partner in 2021-22, reflecting strengthening economic ties between the two countries. According to the data of the commerce ministry, in 2021-22, the bilateral trade between the US and India stood at \$119.42 billion against \$80.51 billion in 2020-21. Exports to the US increased to \$76.11 billion in 2021-22 from \$51.62 billion in the previous fiscal year, while imports rose to \$43.31 billion as compared to about \$29 billion in 2020-21. During 2021-22, India's two-way commerce with China aggregated at \$115.42 billion as compared to \$86.4 billion in 2020-21, the data showed.

Exports to China marginally increased to \$21.25 billion last fiscal year from \$21.18 billion in 2020-21, while imports jumped to \$94.16 billion from about \$65.21 billion in 2020-21. The trade gap rose to \$72.91 billion in 2021-22 from \$44 billion in the previous fiscal year. Federation of Indian Export Organisations Vice President Khalid Khan said India is emerging as a trusted trading partner and global firms are reducing their dependence only on China for their supplies and are diversifying their business into other countries like India. "In the coming years, the bilateral trade between India and the US will continue to grow. India has joined a US-led initiative to set up an Indo-Pacific Economic Framework (IPEF) and this move would help boost economic ties further," Khan said. Rakesh Mohan Joshi, Director of the Indian Institute of Plantation Management (IIPM), Bangalore, too said that India is home to 1.39 billion people with the world's third-largest consumer market and the fastest-growing market economy with an unparalleled demographic dividend that provides enormous opportunities for the US and Indian firms for technology transfer, manufacturing, trade, and investment. "Major export items from India to the US include petroleum polished diamonds, pharmaceutical products, jewelry, light oils and petroleum, frozen shrimp, made-ups, etc. whereas major imports from the US include petroleum, rough diamonds, liquified natural gas, gold, coal, waste and scrap, almonds, etc," Joshi said. ## Sport activities by India's players in Croatia

### DEV JAVIA - OSIJEK OPEN WINNER!

Former Indian Junior No. 1 Dev Java ITF \$25K event in Osijek, Croatia. The only 20-year-old won his first pro title as he partnered with Lukas Pokorny to win the doubles title of the Osijek Open in Croatia.

Dinara Auxiliary playground has seen throughout its history a variety of players and events, but thorough Telesport.hr it was recorded the first cricket match played in that city. It's about India's workers of a local company, who spend a bit of lavender everyday life with their favorite sport. As expected, the locals remained interested in the spontaneous match, but they also say they give them full support.

## Ambassador's Outreaches

Ambassador Srivastava met with Mr. Nino Dubretic, CEO & Founder at Direct Booker - World's Top 10 Short Term Vacation Rental company. "I believe that the positive energy between India and Croatia will be strengthened, as Direct Booker has become part of OYO Vacation Homes, a global travel technology platform. OYO is a brand that has great value in the global market today and we must create awareness of opportunities by sharing successful examples like this one", said the Ambassador.

Ambassador Srivastava attended the cultural event "Experiences of Kailash" for inspiring stories about the Kailash pilgrimage experience with Mohanji organized by the Embassy of India, Zagreb yoga partner Himalayan School of Traditional Dance. The event also had a wonderful performance of the Kathak Dance.

The Lecture on the 161st birth anniversary of Rabindranath Tagore Jayanti held with the participation of Ambassador Srivastava, Mr. Mislav Ježić, Croatian Indologist and Philosopher will be held on June 3 at the Croatian Cultural Centre, Napredak at 7 pm.

## AYUSH CELL

The Zagreb based AYUSH Cell's fortnightly Online Session "Western & Eastern wisdom and methods how to deal with present life situations" with Mr. Drago Plečko, chemist & author of several books in the field of Health, Yoga, & Bioenergy, moderated by Yogacharya Miklec., was held on the 17<sup>th</sup> May.

The poster is for a Zoom Webinar titled "Western and Eastern wisdom and methods how to deal with present life situations". It features logos for the Embassy of India Zagreb, 75 Azadi Ka Amrit Mahotsav, and the Ministry of AYUSH. The speakers listed are Amb. Raj Kumar Srivastava, Mr. Drago Plečko, and Jadranko Miklec. The date and time are 18.05.2022, from 16:00-17:00 (CET). The Zoom Webinar ID is 485120675.

**Mr. Drago Plečko**  
Croatian chemist, promoter of alternative medicine and author of books on bioenergy, health and yoga.

Plečko is one of the pioneers in a number of alternative fields such as yoga, ayurveda, transcendental meditation, bioenergy, psychotronics and alternative spirituality.

He has frequently appeared on television shows as well as on the radio, and has given a number of newspaper interviews in which he advocates that alternative methods of healing and meditation should be explored by scientists.

He was the first to publish interviews with the Maharishi Mahesh Yogi, the Dalai Lama and with a number of other spiritual teachers.

He is the author of seven books and the author of the first TV film about the phenomenon of Medjugorje. He has participated with papers at several dozen European and world conferences.

The Zagreb-based AYUSH Cell's fortnightly Join the Zagreb-based session with the topic addressing "Food for wellbeing" was held on 10th May. The session explained how different foods impact your body & mind which was followed by a live Q&A session with a trained

Isha Hatha Yoga teacher.

The poster is for a Zoom Webinar titled "Food for Wellbeing". It features a photo of people preparing food. The date and time are Tuesday, 10 May, 16:00 CEST. The Zoom Webinar ID is 485120675. The Embassy of India in Croatia is mentioned at the bottom.

Ambassador Srivastava gave opening remarks at the wisdom evening with Indian yogi Swami Jyothirmayah from the Art of Living Foundation together with Mr. Svibor Jancic as the representative of the City of Zagreb for words of support for our activities and efforts to improve the quality of life of Zagreb citizens.

## Countdown to International day of Yoga 2022

Announcing the #IDY2022 in Croatia in the school ŠPUD, Zagreb with the participation of students at a special yoga event, whose design of their vision of India will be printed on this year's yoga t-shirt. As India celebrates Amrit Mahotsav IDY will be celebrated at 75 locations in Croatia from 1-21 June.

## International Yoga Day in Croatia at more than 75 locations. 'Final' on June 21 at Zrinjevac

International Yoga Day (IDY) has been celebrated in Croatia since 2015. The number of cities and locations celebrating IDY has increased in the next seven years from only 16 locations in 2015 to 75 locations in 2022. The Embassy of India in Zagreb, in cooperation with civil society organizations related to yoga, is organizing the celebration of the International Yoga Day this year as well. This year, the International Yoga Day takes place within five regions of Croatia distributed in 15 locations. This figure of 75 yoga events symbolizes 75 years of Indian independence, and this year marks 30 years of diplomatic relations between Croatia and India. Joint practice and yoga presentations will be held from June 1-21. The main celebration of this year's International Yoga Day will be held on June 21 at Zrinjevac at 9 am. In addition to civil society organizations, yoga workshops were organized with students of the Faculty of Kinesiology, University of Zagreb, students of the School of Applied Arts and Design, Zagreb, SOS Children's Village Lekenik, Monte Zaro Elementary School Pula, Kvarner Health Tourism Cluster to promote the positive effects of traditional systems health like yoga that are effective for boosting immunity. In addition to practicing, participants will have the opportunity to enjoy a presentation by yoga teachers and experts. All age groups, from the youngest to the oldest, can participate in this program completely free of charge. Read the full article: [LINK](#)
