

Dr. Wolfgang Schachinger

medical director of the Maharishi Ayurveda Health Center in Ried

He is on the board of the German Ayurveda Society and medical director of the Maharishi Ayurveda Health Center in Ried. He is a co-initiator of the European Ayurveda Medical Association (EURAMA), an European academic body of Ayurveda doctors and scientists who want to build a bridge between Ayurveda and modern medicine in Europe and, for this purpose, place research and teaching in Ayurvedic medicine. Already during his medical studies in Innsbruck he was very interested in Vedic Science and trained as a teacher for Transcendental Meditation. He founded in 1993 the Maharishi Ayurveda Health and Seminar Center Ried, in which all 20 approaches of Maharishi Ayurveda including the Pancha Karma cleansing cure are offered. Seminar activity on Ayurveda medicine for doctors in Austria, South Tyrol and Germany. Founding member and board member of the medical association "Austrian Society for Ayurvedic Medicine" and board member of the German Society for Ayurveda eV, deputy head of the German Ayurveda Academy. He was honoured in February 2006 as "Ambassador of Ayurveda" by the Peediyakkal Medical and Charitable Trust, Kerala, India.
